“Promising every student a future!”

June 10, 2020

Dear Students and Families,

We are almost there! I know I have mentioned this in every update, but I cannot emphasize it enough; you have done an amazing job! We cannot thank you enough for all that you have done for our students, school, and community! Here are the last few updates for this school year...

1. At our last Board of Education meeting, **our Board of Education Members and I discussed and agreed to gift all Kindergarten to 6th grade students their current Chromebooks.** Additionally, we will have some of the websites available to our students for voluntary assignment completion.
2. **All report cards will be emailed by your child’s classroom teacher on Monday, June 15th.** Please reach out to them directly with any questions and/or concerns.
3. **Our last school day is Tuesday, June 16th.** Classroom pick-up and student drop-off is scheduled between 9am to 1pm. **Please enter the playground gates on Eight Street and exit through the playground gates on Seventh Street. For the safety of you and our staff volunteers, please remain in your vehicles.**
4. **We are continuing to plan for the upcoming school year. Please complete this survey by Thursday, June 18th (Click here).** This will be extremely helpful as we assess this year’s effectiveness and as we plan for next school year.

Please continue to access our website, Facebook, and automated messaging system for updated information. If you have specific questions and/or concerns now or throughout the summer, please contact me at CMeyrick@BeachHavenSchool.com.

Stay Safe and Healthy,
Dr. Meyrick
