

Beach Haven School District Goals

2019-2020

Goal 1: The Beach Haven School District will demonstrate a succinct focus on student achievement.

The district will utilize the Individual Teacher, Committee, and Articulation meetings to work with the staff to the focus on improving in each subject area of the state mandated assessment (NJSLA).

The superintendent is the educational leader who promotes the success of all students by advocating, nurturing, and sustaining a culture and instructional program conducive to student learning and staff professional development.

Goal 2: The Beach Haven School District will maximize communication by providing feedback and opportunities to enhance staff performance and strengthen family, school and community partnerships.

The district will receive their evaluations and be informed of their status for the upcoming school year by May 15, 2020. Additionally, the district will initiate and follow the locally-created procedures.

The superintendent is the educational leader who promotes the success of all students by creating and employing district systems and procedures.

Goal 3: The Beach Haven School District will successfully complete the New Jersey Quality Single Accountability Continuum (QSAC) review process.

The district will evaluate and focus on the five key areas of school district effectiveness.

The superintendent is the educational leader who acts as an agent of continues improvement to promote each student's and staff's success and well-being.
