It is the mission of the Beach Haven Board of Education and the Beach Haven Elementary School District to provide pupils with an education which allows them to experience appropriate high expectations, allowing them to become caring, responsible citizens, ultimately having the skills necessary to solve complex problems, and the desire to strive for excellence as life-long learners.

July, 2025

Dear Parents/Guardians:

In accordance with federal regulations of the Asbestos Hazard Emergency Response Act (AHERA), school districts are mandated to inform you annually of our compliance with their regulations.

Beach Haven School has conducted AHERA inspections and has developed the required Management Plans for Asbestos Containing Materials (ACBM). As required by AHERA, since July 1989, a three-year re-inspection was conducted in May 2025 by Montrose Environmental Solutions, LLC. The school buildings were inspected, and a letter of assurance was sent to the New Jersey Department of Health confirming our compliance with AHERA regulations.

This memorandum shall serve as an annual notification to interested parties regarding asbestos management activities performed by and for the Beach Haven Board of Education, as required by 40 CFR Part 763.93 (G) (\$) (Asbestos Hazard Emergency Response Act).

Copies of the Asbestos Management Plan are available to the public for viewing during normal school year business hours (8:00 am to 3:30 pm, Monday through Friday) at the Beach Haven School on 700 North Beach Avenue, Beach Haven, NJ 08008.

PARS Environmental (PARS Environmental, Inc., 500 Horizon Drive, Suite 540, Robbinsville, NJ 08691) has been appointed Designated Person to manage the Beach Haven School's asbestos plan. Two-hour awareness training for custodial staff and other interested persons shall be performed as needed, as well as when new custodial staff are hired.

Questions regarding this notification or any activities related to the asbestos-containing materials may be directed to the administrative office at (609) 492-7411.

Sincerely,

Theodore R. Loeffler
Superintendent of Schools
