

2025-2026 Beach Haven Assessment Information to Parents and the General Public

New Jersey school districts, charter schools, and renaissance school projects are required by statute (N.J.S.A. 18A:7C-6.6) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially developed standardized assessment that will be administered over the course of the school year. If, after October 1, it is decided that an additional commercially-developed standardized assessment will be administered, then the information shall be shared with parents as soon as possible (within 30 days of receipt of final reports for statewide assessment).

Key:

- **Information about Available Accommodations and Accessibility Features** refers to the manual that outlines the accommodations and accessibility options available for the test.
- **Required by State, Federal, or Local**, whether the assessment is required or mandated by state, federal, or local district.
- **Sample Questions** provide a link to sample items/questions for students to practice.
- **Testing Time Allotted per Student** is the maximum amount of time allotted to complete the assessment. Most students finish well in advance of the allotted time.
- **Testing Window** is the period of time in which districts administer the assessment. It differs from the actual number of days a student takes to complete the assessment. School districts can choose the specific days to administer the test within the window. Please inquire with your district about the exact testing dates of the assessment.
- **Results Available** refers to the date districts receive individualized student results from the assessment. These results should be distributed to students, educators, and families as soon as possible (within 30 days of receipt of final reports for statewide assessments).

*Pursuant to N.J.S.A. 18A:7C-6.6, the information below is being made available with respect to specific information on Federal and state assessments or commercially developed standardized assessments that may be administered to your child during the school year. **Please note not all students will be administered all listed assessments.** Please do not hesitate to contact your child's building administrator with any questions.
