It is the mission of the Beach Haven Board of Education and the Beach Haven Elementary School District to provide pupils with an education which allows them to experience appropriate high expectations, allowing them to become caring, responsible citizens, ultimately having the skills necessary to solve complex problems, and the desire to strive for excellence as life-long learners.

July 11th, 2025

Dear Parents/Guardians:

The Every Student Succeeds Act (ESSA) was passed by the U.S. Congress and signed into law on December 10, 2015. The ESSA replaces the No Child Left Behind Act (NCLB) and is the latest reauthorization of the Elementary and Secondary Education Act (ESEA). Although NCLB was designed to make changes in teaching and learning to increase students' academic achievement, the Highly Qualified Teacher (HQT) provision under NCLB was eliminated from ESSA. Despite this fact, all educators in New Jersey are still required to hold the appropriate State certificate/license for their given position.

Under the ESSA, all schools receiving Title I funds must inform parents and guardians of their right to ask schools about the professional qualifications of their child's teachers and paraprofessionals. Our district receives Title I funding; therefore, we are happy to share this information with you at your request.

New Jersey has some of the most qualified teachers in the country, and we are extremely proud of the quality of the teaching faculty in the Beach Haven Borough School District. Our teachers have undergraduate college degrees, and many hold advanced degrees in education. In addition, every teacher has the appropriate certification and continues on their own learning path through professional development activities. Our teachers are evaluated yearly to ensure their teaching pedagogy and practices remain at the highest possible level. I encourage you to support your child's education and communicate with their teachers regularly. For more information on ESSA and the role of parents and guardians, please visit the United States Department of Education's website. By partnering, we can provide your child with the best education possible.

Regards,

Theodore R. Loeffler
Superintendent/Principal
