It is the mission of the Beach Haven Board of Education and the Beach Haven Elementary School District to provide pupils with an education which allows them to experience appropriate high expectations, allowing them to become caring, responsible citizens, ultimately having the skills necessary to solve complex problems, and the desire to strive for excellence as life-long learners.

Beach Haven Families,

I am providing another opportunity for parents of special education students to join the BH SEPAG. Our shared services agreement with the Stafford CST has been going well. Although Stafford has offered our parents the opportunity to join their SEPAG, I would also like to maintain a more local connection with our families here. I invite you to a brief SEPAG meeting on Thursday, February 5, 2026, at 4:30 PM in our main office conference room. The purpose of the meeting is to gather information from the parents of our special education students to help grow our services for your children.

SEPAG is a parent advisory group focused on systems issues, not individual advocacy, so please do not come to discuss individual students. Those questions can be referred to your child's case manager.

BH SEPAG February 5, 2026, at 4:30 PM - 5:00 PM

Agenda:

- Introduction
- What do you like about our services?
- What would you like to see us improve on?
- What support or resources do you need as parents?
- Where do we go from here? Next Steps...

Regards,

Theodore Loeffler
Superintendent/Principal

Familias de Beach Haven,

Estoy brindando otra oportunidad para que los padres de estudiantes con necesidades educativas especiales se unan a BH SEPAG. Nuestro acuerdo de servicios compartidos con el Stafford CST ha ido bien. A pesar de que Stafford ha ofrecido a nuestros padres la oportunidad de unirse a su SEPAG, también me gustaría tener una conexión más local con nuestras familias aquí. Los invito a una breve reunión de SEPAG el jueves 5 de febrero de 2026 a las 4:30 p.m. en la sala de conferencias de nuestra oficina principal. El propósito de la reunión es recopilar información de los padres de nuestros estudiantes con necesidades educativas especiales para mejorar nuestros servicios para sus hijos.

SEPAG es un grupo asesor de padres enfocado en problemas de sistemas, no en la defensa individual, así que, por favor, no venga a hablar sobre estudiantes individuales. Esas preguntas pueden referirse al administrador de casos de su hijo.

BH SEPAG 5 de febrero de 2026 a las 16:30 - 17:00

Agenda:

- Introducción
- ¿Qué te gusta de los servicios que tenemos?
- ¿Qué te gustaría que mejoráramos?
- ¿Qué apoyo o recursos necesitan como padres?
- ¿Hacia dónde vamos? Próximos pasos…

Saludos
