

Beach Haven Board/District Goals 2025-2026

Goal 1: Beach Haven will foster a positive learning environment that cultivates strong student organizational skills, inspires creativity, innovation, and differentiation to support all learners.

The superintendent is the educational leader who ensures instructional practices that are intellectually challenging, authentic to student experiences, recognize student strengths, and are differentiated and personalized.

The superintendent is the educational leader who develops the professional capacity and practice of school personnel to promote each student's academic success and well-being.

The superintendent is the educational leader who promotes the preparation of students to live productively in and contribute to the diverse cultural contexts of a global society.

Goal 2: Beach Haven will engage all K-3 students in Early Literacy Screening three times a year to support the greater development of early reading skills and provide necessary interventions to promote student growth.

The superintendent is the educational leader who develops and supports intellectually rigorous and coherent systems of curriculum, instruction, and assessment to promote each student's academic success and well-being.

The superintendent is the educational leader who provides coherent systems of academic and social supports, services, extracurricular activities, and accommodations to meet the range of learning needs of each student.

Goal 3: The Beach Haven School District will successfully complete the New Jersey Quality Single Accountability Continuum (QSAC) review process.

The superintendent is the educational leader who develops, advocates, and enacts a shared mission, vision, and core values of high-quality education and academic success.

The superintendent is the educational leader responsible for managing school operations and resources to promote each student's academic success and overall well-being.
