Dear Beach Haven School Community,

It is my distinct pleasure and privilege to serve as superintendent and principal of Beach Haven School. Beach Haven is a special place that is rich in tradition and culture. Throughout my life, I have felt drawn to this community and have strong family ties to the area. I have spent many memorable moments on the island and I know that we will create some new wonderful memories together.

I am excited to continue to cultivate our partnership so we can provide an enriching educational experience for the children. I am a dedicated professional who is passionate and driven to promote student success. I have 29 years of educational experience and continuously challenge myself to grow and learn.

My leadership style is built on the foundation of teamwork and collaboration. Embedded in my practice is hard work, commitment, perseverance, strategic thinking, problem-solving, appreciation, and celebration. The fabrics that weave these practices together are the relationships we build and the trust we establish. We will nurture these relationships through caring, compassion, and empathy.

Together, we will support and enhance the things we do well and develop plans to address areas where we need growth. I encourage your contributions for new ideas, suggestions, or aspirations you wish to share. Please feel free to reach out to me anytime.

Thank you for entrusting me with the honor of leading the Beach Haven School District.

Sincerely,

Theodore R. Loeffler  
Superintendent/Principal
