Theodore R. Loeffler
Superintendent of Schools
tloeffler@beachhavenschool.com

It is the mission of the Beach Haven Board of Education and the Beach Haven Elementary School District to provide pupils with an education which allows them to experience appropriate high expectations, allowing them to become caring, responsible citizens, ultimately having the skills necessary to solve complex problems, and the desire to strive for excellence as life-long learners.

Preschool New Student Registration 2024/2025

Entrance Requirements

All children entering Beach Haven School's Preschool Program in September 2024 must meet the following requirements:

- A child who has attained his/her third birthday on or before October 1 of the year in which entrance is sought
- Preschool Full-Day students - **Four-year-olds** (May not turn **five** before October 1, 2024).
- Preschool Half Day AM students - **Three-year-olds** (May not turn **four** before October 1, 2024).
- To enter the program, all preschool students must be toilet trained before September 1st, 2024.
- Preschool students must apply and have received confirmation of acceptance.
- An original birth certificate* must document the child's birth date.
- A current physical examination was performed during the last 365 days.
- Two proofs of residency that you live within the Beach Haven District must be presented for in-district students.
- Two proofs of residency must be presented for out-of-district students.
- Proof of required immunizations (See Page 2)

There are Two Steps to the Registration Process

Step 1: Registration Application Packet:

- Print or fill out the registration packet and complete it in its entirety
- Scan or email the completed packet to Kimberly Carey at kcarey@beachhavenschool.com
- If you are unable to scan or email the packet, mail it to 8th Street and Beach Ave, Beach Haven, NJ 08008

Step 2: Document Verification*

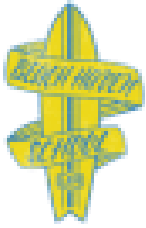

These documents must be verified in person:

- An original birth certificate with parents' names and raised seal.
- Registration Affidavit - must be signed in front of the registration official once residency is verified.

All other registration documents may be scanned or emailed to kcarey@beachhavenschool.com.

If mailing via the postal service, please mail them to 8th Street and Beach Ave, Beach Haven, NJ 08008.

If needed, these documents can be presented in person to complete the registration process. Please email kcarey@beachhavenschool.com for any additional assistance or call 609-492-7411 with any questions.

Preschool New Student Registration 2024/2025

Proof of immunization:

Listed below is the minimum required number of immunization doses your child must have for a Three and Four-year-old to enroll/attend Preschool:

Diphtheria, tetanus & acellular pertussis (DTaP)	<u>Four</u> doses
Inactivated Poliovirus (Polio)	<u>Three</u> doses
Haemophilus influenzae type b (Hib)	<u>At least one</u> dose given on or after the first birthday ¹
Pneumococcal conjugate (PCV 13)	<u>At least one</u> dose given on or after the first birthday
Measles, mumps, rubella (MMR)	<u>One</u> dose ²
Varicella (VAR)	<u>At least one</u> dose given on or after the first birthday
Influenza (IIV; LAIV)	<u>One</u> dose is due each year up until the age of Five ³

¹Haemophilus influenzae type B (Hib) and pneumococcal (PCV): vaccines are special cases. If children start late with these vaccines, they may need fewer doses. In all cases, one dose of each is required on or after the first birthday. Please Note: Using combination vaccines may allow students to receive the 1st birthday booster dose of Hib between 15-18 months of age.

²MMR: The vaccine may be given as early as 12 months, but NJ requires children to receive the vaccine by 15 months. Before 15 months, children may enter preschool/child care without a documented dose of MMR.

³Seasonal Flu: The current seasonal influenza vaccine is required yearly for children six months through 59 months. Children who have not received the flu vaccine by December 31 must be excluded (not allowed to attend child care/preschool) for the duration of influenza season (through March 31) until they receive at least one dose of the influenza vaccine or until they turn 60 months of age. Children entering child care/preschool after December 31 must provide documentation of receiving the current seasonal flu vaccine. Children entering child care/preschool after March 31 are not required to receive the flu vaccine; however, flu season may extend until May, so getting a flu vaccine is still protective even late in the season.
